24 TO THE HONORABLE JUDGE OF SAID COURT:

25 Plaintiff, Systemify, LLC, and Defendants, PacketMotion, Inc. and VMware, Inc.,
 26 jointly move the court to continue the settlement conference currently scheduled for July 19,
 27 2012, for the reasons more fully discussed below.
 28

1 Over the past few days, the parties have been discussing early resolution of this case, and
2 have reached an agreement in principle on the terms for the resolution and disposition of this
3 matter. As such, the parties do not believe it is necessary at this time to expend the resources of
4 the Court or the respective parties to hold a settlement conference. All parties have agreed to
5 this continuance so that the parties may finalize the appropriate papers for resolution of the
6 present action. This continuance is sought solely because the parties believe this matter is likely
7 to be resolved imminently, and not for the purpose of delay or any other improper objective.
8

9 For the reasons above, the parties respectfully request that this joint motion to continue
10 the settlement conference be granted.

11 Respectfully Submitted,
